

This document contains information about the home to school distance (cut-off distance) of the last child admitted to Birmingham schools at the time of offer for entry in September 2021, 2022 and 2023 where applicable. It is not possible to predict precise cut-off distances for 2024.

Majority of schools do not class siblings in a Sixth form as valid siblings for entry into Year 7.

School Admissions and Fair Access Service make every effort to ensure that the information

provided is up to date and correct. However, for a copy of the school's full and most recent admissions policy, oversubscription criteria and a link to the relevant website is provided at the

The Local Governing Body will consider requests submitted for a child to be admitted into a class outside of their normal age group and advise parents of the outcome of that request before national offer day, having taken into account the information provided by the parents, the child's best interests and the views of the Head Teacher.

If the request is refused, the original application for the normal age group class will progress through the Local Authority co-ordinated admissions scheme, be considered by the Local Governing Body and the parents advised of the outcome.

If the request is agreed and the year group for which the parents have requested a place is a current year group in the school, then the application will be considered by the Local Governing Body and the parents advised of the outcome.

If the request is agreed and the year group for which the parents have requested a place is for a future year group, ie Year 7 in September 2025, then the original application is withdrawn and the parents must submit a fresh application for Year 7 2025 when applications open in the autumn term of 2024. Please note that parents only have the right to re-apply for a place. Where the Local Governing Body agrees to consider an application for Year 7 the following year, that application is considered alongside all other applications received and parents will be advised of the outcome of that application on national offer day. No place is reserved or held for the child in advance.

If parents are considering submitting an application for their child to be admitted into a class outside of their normal age group, it is strongly recommended that they also read the DFE guidance which can be found at:

<https://www.gov.uk/government/publications/summer-born-children-school-admission>

A child's position on a waiting list is not fixed. When a new child joins the waiting list, all applicants on that waiting list will be re-ranked to ensure that the list is always maintained in oversubscription criteria order. This means that a child's position on the waiting list could go up or down during the time that it is on the list. Any late applications accepted will be added to the waiting list in accordance with the oversubscription criteria.

Inclusion on the waiting list does not mean that a place will eventually become available. It may be that those already offered places may accept them, thereby filling all available places.

Children on the waiting list who attend a named feeder school (see Note 5 above) who have not been offered a place in the school by the beginning of the Autumn term 2024 will be re-ranked to take into account that they will no longer be attending that feeder school from 1st September 2024. This will affect the oversubscription criteria that your child is placed into on the waiting list from 1st September 2024.

Children who are the subject of a direction by the Local Authority to admit or who are allocated to a school in accordance with the Fair Access Protocol take precedence over those on a waiting list.

The Local Governing Body of Archbishop Ilesley Catholic School is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the Local Governing Body is empowered to give absolute priority to a child where admission is requested under any locally agreed protocol. The Local Governing Body has this power, even when admitting the child would mean exceeding the published admission number.

Both internal and external pupils wishing to enter the sixth form will be expected to have met the same minimum academic entry requirements for the sixth form. These are 5 Grade 9-4 at GCSE or Equivalent including GCSE English and Mathematics.

Local Authorities are required to have Fair Access Protocols in order to make sure that unplaced, vulnerable children are offered a place at a suitable school as quickly as possible.

Parents/carers may choose to seek a place for their child outside of their chronological age group for a variety of reasons (e.g. the child is summer born, is considered gifted and talented or has experienced problems such as ill health).

The decision to admit a child out-of-year group is uncommon and will always be made on the basis of the unique circumstances for each specific case and what is best for that individual child. The decision will be made by the Principal of the school and will take into account the views, expert advice from relevant social, educational and medical professionals, whether the child has previously been educated out of their normal age group, any evidence that the child may naturally have fallen into a lower age group if it were not for being born prematurely and the long-term impact of the decision on the child.

Joining Year 11 students from other schools are invited to apply to join Year 12 where the joining student admissions number is expected to be 75 students and is subject to availability on individual courses.

The passes must include English Language or English Literature and Maths at level 4. Up to 2 Vocational Qualifications (Level 2) e.g. RSL/BTEC/OCR National qualifications grades can be used for sixth form entry. Each Vocational Qualification will count as 1 of the 7 best GCSE passes. Further detail and subject specific criteria will also apply as published on the school website.

Where there are more applications than there are places available, places will be allocated based on the following order of priority:

- a) Looked after or previously looked after children (including previously looked after children from outside of England).
- b) Students who live nearest the Academy.

In the event of an oversubscription in any of the above categories places will be allocated according to those that live closest to The Arthur Terry School calculated on the basis of a straight-line measurement between home and academy, whose circumstances remain unchanged on the day of admission.

The Arthur Terry School operates a waiting list process for Year 12 admissions in the event that the Year 12 admissions number is oversubscribed. Applicants who are placed on the waiting list will only be offered a place in Year 12 if places become available in the subjects chosen by the applicant.

Places will be allocated in accordance with the oversubscription criteria.

Children who are looked after or immediately after being looked after became subject to an adoption, child arrangement order or special guardianship order. This includes any child/young person who is subject to a Full Care Order, an interim Care Order, accommodated under Section 22(1) of the Children Act 1989, is remanded or detained into Local Authority accommodation under Criminal Law or who has been placed for adoption. Children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care, as a result of being adopted.

Siblings (brothers or sisters) are considered to be those children who live at the same address and either:

are adopted or fostered by a common parent.

Unrelated children living at the same address, whose parents are living as partners, are also considered to be siblings.

Common, who are brought together as a family by a same sex civil partnership and who are living at the same address, are also considered to be siblings.

Distances are calculated on the basis of a straight-line measurement between the address and the main school gate on Kittoe Road. The Local Authority uses a computerised system, which measures all distances in metres. Ordnance Survey supply the co-ordinates that are used to measure the distance of the academy.

Where parents have shared responsibility for a child, and the child lives with both parents for part of the week, then the main residence will be determined as the address where the child lives the majority of the week. Parents may be requested to supply documentary evidence to support the address used.

In a very small number of cases it may not be possible to decide between the applications of those pupils who are the final qualifiers for a place, when applying the published admission

criteria.

For example, this may occur when children in the same year group live at the same address, or if the

1. Looked after or previously looked after children.
2. Children with a brother or a sister already at the academy who will still be in attendance in September 2024.
3. Children who attend the Feeder school Chilwell Croft Academy.
4. Children who live nearest the academy.

Within each of these categories, priority is given to those who live nearest the academy, calculated on the basis of a straight-line measurement between home address and the school gate on Phillips Street.

Looked After or Previously Looked After Children

A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear to the admission authority to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children of the Children Act 1989).

with a statement of special educational needs is required to be admitted to the school that is the statement. This gives such children overall priority for admission to the named school. an oversubscription criterion.

Where there are more applications than there are places available, places will be allocated based on the following order of priority:

Children who have been looked after or previously looked after (including previously looked after children from outside of England).

Children of members of the UK Armed Forces in the local area.

Children (siblings) with an older brother or sister already at the school who will still be in attendance at the time the sibling enters the school.

Children of members of staff.

Children who live nearest the school.

Children who have been looked after or previously looked after (including previously looked after children from outside of England).

CRITERIA FOR COMMUNITY SCHOOLS AND THOSE SCHOOLS THAT HAVE ADOPTED AUTHORITY DEFINITIONS

It is noted that Bartley Green School may receive admission requests from UK Armed Forces families. This is due to the opening of the Queen Elizabeth Hospital (which includes an Armed Forces hospital) in Edgbaston. The school body that these families may require a long term or short term placement and Bartley Green School has a moral obligation to support these families.

Priority will be given to staff that have been employed at the school for two or more years at the time at which the application for admission to the school is made, and or; where the number of staff has been recruited to fill a vacant post for which there is a demonstrational skill

In criteria 7-10 inclusive, if there is oversubscription in a category, the Governing Body will give priority firstly to those applicants who have a brother or sister (see Note 4 below) attending Bishop Challoner Catholic College at the time of admission and then to those children living closest to the school determined by the shortest distance (see Note 6 below).

For the purposes of this policy, parish boundaries are as shown on the Archdiocese of Birmingham parish boundary map which can be accessed at <https://www.birminghamdiocese.org.uk/boundary-map> and will be applied to the admission arrangements for the academic year 2024/2025.

1. Baptised Catholic children who are looked after or previously looked after.
2. Baptised Catholic children who have a brother or sister attending Bishop Challoner Catholic College at the time of entry.
3. Baptised Catholic children currently attending a named feeder school.
4. Baptised Catholic children who currently live in the parish area of a named Catholic feeder school who are not currently attending a named Catholic feeder school.
5. Baptised Catholic children of staff appointed by the Governors to permanent positions at Bishop Challoner Catholic College for two or more years before the time at which the

Catholic.

“looked after” means any child who is (a) in the care of the local authority or (b) being provided with accommodation by them in the exercise of their social services functions (eg children with foster parents) a child was looked after, but ceased to be so because he or she was adopted or became subject to a child arrangements order or special guardianship order and includes those children who appear (to the governing body) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

For the purposes of this policy, a looked after child living with a family where at least one of the carers is Catholic will be considered as Catholic. The carer must forward a copy of their own Catholic Baptismal or Reception certificate directly to the school in order for this priority to be given to the child as failure to do so will result in the looked after child being ranked as a non-Catholic.

For all applicants the definition of a brother or sister is:

- A brother or sister sharing the same parents
- A half-brother or half-sister, where two children share one common parent
- A step-brother or step-sister, where two children share one common parent through a partnership, or where they are unrelated but their parents are living as partners.
- Adopted or fostered children

The parish areas for the named feeder schools are as follows: Our Lady of Lourdes Yardley Wood, St Dunstan Kings Heath, English Martyrs Sparkhill, St Jude Maypole, St Edward Selly Park, St John & St Martin Balsall Heath and St Mary Harborne. Parish maps are available in the parishes or at the schools or by post on request.

For the purposes of this policy, parish boundaries are as shown on the Archdiocese of Birmingham parish boundary map (<https://www.birminghamdiocese.org.uk/boundary-map>) and will be applied to the admission arrangements for the academic year 2024/2025.

Distances are calculated on the basis

In a very small number of cases, where the school is oversubscribed, it may not be possible to decide between the applications of those pupils who are the final qualifiers for a place when applying the published admission criteria.

For example, this may occur when children in the same year group live at the same address, or if the distance between the home and the school is exactly the same, for example, blocks of flats. If there is no other way of separating the application according to the admissions criteria

The Governing Body of Bishop Challoner Catholic College is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the governing body is empowered to give absolute p

Please note that any students opting to study A Level Physics, will also be expected to study A Level Mathematics.

Priority will always be given to students who have studied their GCSE qualifications at BVGS, if they meet the qualifying standard.

We have 80 places available for external applicants.

In case of over subscription, priority should be given to students based on the following criteria. The criteria will be applied in rank order:

1. Looked After Children/Previously Looked After Children.
2. Students attracting the Pupil Premium.

Students attracting Pupil Premium are those who have been registered for free school meals at any point in the 6 years prior to the Sixth Form application closing date of 31 January 2024. The school will require evidence of Pupil Premium registration and reserves the right to withdraw the offer of a place if the offer has been made on the basis of an incorrect, fraudulent or misleading application.

does not mean that a place will become available as in-year places normally only become available if a current student leaves the school.

On receipt of an in-year application, the school will notify the Local Authority of both the application and its outcome, to allow the Local Authority to keep up to date with figures on the availability of school places in Birmingham.

If a place becomes available, candidates on the waiting list in the appropriate year group will be invited to take a selective admission test appropriate to the year of entry and the place will be awarded to the highest scoring candidate above a minimum standard.

Appeals are administered by the Local Authority for this school. Parents who wish to appeal against the decision to refuse their child admission should visit www.birmingham.gov.uk/schooladmissions to complete an online appeal form. Appeals will be heard by an independent panel.

Parents have the right to request, but not insist, that their child be considered for admission to a class outside of their normal age group. This could be the case, for example, if a child is gifted and talented, has experienced problems such as ill health, or is already being educated in a class outside of their normal age group at their current Primary school. Parents who wish for their child to be considered for admission to a class outside of their normal age group must make an application for the normal age group in the first instance. Parents must then submit a formal request to the Governing Body for the child to be considered for a different age group class instead. This request should be in the form of a written letter of application outlining the reasons why they wish for their child to be considered to be admitted into a class outside of their normal age group and enclosing any supportive evidence and documentation that they wish to be taken into account as part of that request.

The Governing Body will consider requests submitted for a child to be admitted into a class outside of their normal age group and advise parents of the outcome of that request before national offer day, having taken into account the information provided by the views of the Head Teacher.

If the request is refused, the original application for the normal age group class will progress through the Local Authority co-ordinated admissions scheme, be considered by the Governing Body and the parents advised of the outcome.

If the request is agreed and the year group for which the parents have requested a place is a current year group in the school, then the application will be considered by the Governing Body and the parents advised of the outcome.

If the request is agreed and the year group for which the parents have requested a place is for a future year group, i.e. Year 7 in September 2025, then the original application is withdrawn and the parents must submit a fresh application for Year 7 2025 when applications open in the autumn term of 2024. Please note that parents only have the right to re-apply for a place. Where the Governing Body agrees to consider an application for Year 7 the following year, that application is considered alongside all other applications received and parents will be advised of the outcome of that application on national offer day. No place is reserved or held for the child in advance. If parents are considering submitting an application for their child to be admitted into a class outside of their normal age group, it is strongly recommended that they also read the DFE guidance which can be found at:

<https://www.gov.uk/government/publications/summer-born-children-school-admission>

In addition to their right to appeal, children who have not been offered a place at Cardinal Wiseman Catholic School but were offered a school that was ranked as a lower preference on their application form will be added to a waiting list.

The waiting list will be maintained until the last day of the summer term 2025 and will then be discarded.

That waiting list will be re-ranked to ensure that the list is always maintained in oversubscription criteria. A child's position on the waiting list could go up or down during the time that it is on the list. Any late applications accepted will be added to the waiting list in accordance with the oversubscription criteria.

Inclusion on the waiting list does not mean that a place will eventually become available. It may be that those already offered places may accept them, thereby filling all available places.

Children on the waiting list who attend a named feeder school (see Note 5 above) who have not been offered a place in the school by the beginning of the Autumn term 2024 will be re-ranked to take into account that they will no longer be attending that feeder school from 1st September 2024. This will affect the oversubscription criteria that your child is placed into on the waiting list from 1st September 2024.

Children who are the subject of a direction by the Local Authority to admit or who are allocated to a school in accordance with the Fair Access Protocol take precedence over those on a waiting list.

The Governing Body of Cardinal Wiseman Catholic School is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the governing body is empowered to give absolute priority to a child where admission is requested under any locally agreed protocol. The Governing Body has this power, even when admitting the child would mean exceeding the published admission number subject.

An application can be made for a place for a child at any time outside the normal admission round and the child will be admitted where there are places available. Applications should be made to the school by contacting Ms Guerin (0121 360 6383; enquiries@cardinalwiseman.net.) and all families approaching the school will be given information on how to complete an electronic application form.

Where there are places available but more applications than places, the published oversubscription criteria, as set out for the normal round of admissions, will be applied. If there are no places available, the child will be added to the waiting list (see above).

A decision is to refuse their child a place, have the right to appeal to an independent appeal panel.

There is no charge or cost related to the admission of a child to this school.

Eden Boys' School is a progressive, inclusive and outstanding Muslim faith school, all applications will be considered equally without reference to faith.

Any child with a statement of special educational needs is required to be admitted to the school that is named in the statement. This gives such children overall priority for admission to the named school. This is not an oversubscription criterion.

1. Looked after children or a child who was previously looked after, but immediately after being looked after became subject to an adoption, child arrangement order, or special guardianship order or those children who appear to the school to have been in state care outside of England and ceased to be in state care as a result of being adopted (see note 1).
2. An application for admission is made, and / or the member of staff has been recruited to fill a post where there is a demonstrable skill shortage (see note 2).
3. Children with proven, exceptionally strong special, medical or social circumstances, which are directly relevant to attendance at Eden Boys' School.
4. Children attending The Olive School, Birmingham and The Olive School, Small Heath at the time of application and offer of a place.
5. Children with a statement of special educational needs, which are directly relevant to attendance at Eden Boys' School (see note 4).

Parents will be required to provide current copy of council tax as proof of residence at the permanent address. We may seek other means of evidence as proof of residence at the permanent address if required.

Parents must provide the council tax document evidencing the end of residency in their previous home and the current council tax document evidencing occupancy at the new home.

In addition, you are required to provide at least one of the following documents:

- Proof of purchase / tenancy agreement;
- Current utility bill;
- Current bank statement;
- Current driving licence;
- Letter from your GP.

If children of multiple births (twins and triplets) require admission in the same year group and there is only a single place left within the published admission number, the school will offer places above the published admission number.

Unless there are exceptional reasons for the late submission of the application form, late applications will not be considered at the same time as applications that were received by the closing date. Birmingham City Council are responsible for making decisions on late applications as stipulated within their secondary co-ordinated admission scheme. Applications received after the start of the autumn term 2024 will be treated as an in-year application.

For the in-year waiting list, parents must complete a new application form each year at the beginning of the new academic year.

The school reserves the right to withdraw an offer of a place if:

- It was made in error;
- Parents fail to respond to the offer of a place within a reasonable period of time;
- Parents decline the place offered;
- It is established that the offer of a place was obtained through a fraudulent or misleading application.

Where parents fail to respond to the offer of a place, the school will give the parents a further opportunity to respond and explain to them that the offer of a place will be withdrawn unless they respond by the specified date. Where an offer of a place is withdrawn based on misleading information, the school will consider the application afresh, and will offer a right of appeal if admission cannot be offered.

The school will not withdraw the offer of a place once the child has started at the school, except where that place was fraudulently obtained. In deciding whether or not to withdraw the offer of a place, account will be taken of the length of time the child has been at the school. Where the child has been at the school for less than a term, the school may consider it appropriate to withdraw the place.

Parents may seek a place for their child outside of their normal age group, for example, if a child is gifted and talented or has experienced problems such as ill health.

Parents of children who are already of secondary school age are required to complete the in-year application form along with a letter requesting admission out of the normal age group and submit this with the required evidence outlined below. If their request is agreed and a place is available in the requested year group, the child will be admitted.

Parents of children who wish to seek admission to Year 7 outside their normal age group (i.e. who are currently placed in a lower or higher year group) will need to submit the normal common application form to the Local Authority (in writing or online). Parents must do this at the same time as they submit a written request to the school for their child to be admitted to the school at their normal age. This request should be submitted to the school at the same time as the application form to the Local Authority.

The school will make a decision on the request before the secondary national offer date if the request for admission is received during the normal admissions round, if at all possible.

To enable the school to consider if the request for admission outside the normal age group is in the best interests of the child concerned, the school will consider:

- The child's date of birth.
- The child's medical history, including any chronic conditions or disabilities.
- The child's educational needs and whether they can be met in the normal age group.
- If the child was born prematurely, what age group would the child have fallen in, if the child had been born on time.

A child is regarded as having been in state care in a place outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society (see Section 23ZZA(8) of the Children Act 2017).

This includes children who were adopted under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders).

Child arrangement orders are defined Section 8 of the Children Act 1989, as amended by Section 12 of the Children and Families Act 2014. Child arrangement orders replace residence orders and any residence orders in force prior to 22 April 2014 is deemed to be a child arrangements order.

Special guardians are defined in Section 54 of the Children Act 1989, as amended by Section 12 of the Children and Families Act 2014. Special guardianship orders replace residence orders and any residence orders in force prior to 22 April 2014 is deemed to be a special guardianship order.

2. A child is eligible for consideration when the parent(s) of child on the payroll of the school is/are a special guardian of the child.
3. For a place to be offered under this criterion, the information must confirm the school is the only school that can meet the defined needs of the child. In all cases the medical or social need must be permanent or long term. For medical or social needs, the child must be a permanent or long term resident of the school catchment area.
4. The child must be living with their biological parent(s) or partner, and in every case, the child must be living in the same family unit at the same address.

In-year admission is the process of applying for admission into an existing year group within a school. Applications for the Year 7 intake made after the start of the autumn term 2024 will be treated as an in-year application.

The in-year admission process is managed by the school. Parents are required to complete the in-year application form, which is available from and returnable to the school.

Details of children who cannot be offered admission will be referred to Birmingham City Council and they may contact you to support you to secure a place at a school. Where a place cannot be secured at a school within a reasonable distance from your home, Birmingham City Council will apply the Fair Access Protocol to secure the most appropriate educational provision.

For children with an education, health and care plan, the in-year admission process will not apply. For these children, the school's Special Educational Needs Team names the school in the education, health and care plan.

Parents have a legal right of appeal to an independent appeal panel against the decision not to admit their child to a school. The school's Legal and Governance Department administers the appeals process on behalf of the school. Parents must request an appeal form from admissions@staracademies.org

Appeals are administered by the Local Authority for this school. Parents who wish to appeal against the decision to refuse their child admission should visit www.birmingham.gov.uk/schooladmissions to complete an online appeal form. Appeals will be heard by an independent panel.

The highest priority in the oversubscription criteria must be given to looked after children and previously looked after children. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.

A previously looked after child is a child who was looked after, but ceased to be so because they were adopted or became subject to a child arrangement order (formerly known as a residence order) or a special guardianship order immediately following having been looked after, including those who appear to the Academy to have been in state care outside of England (i.e. in the care of or accommodated by a public authority, religious organisation or any other provider whose sole/main purpose is to benefit society) and ceased to be in state care as a result of being adopted. The admission authority may request a copy of the adoption order, child arrangement order or special guardianship order and a letter from the local authority/care provider that last looked after the child confirming that he or she was looked after immediately prior to that order being made.

An adoption order is an order under Section 46 of the Adoption and Children Act 2002. A child arrangement order settles the arrangements as to the person with whom the child is to live under Section 8 of the Children Act 1989 as amended by Section 12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangement order. Section 14A of the Children Act 1989 defines a special guardianship order as an order which appoints

4. Distance from the Academy.

Within each of these categories, priority is given to those who live nearest the academy, calculated on the basis of a straight-line measurement between home and the academy gate on Craythorne Avenue.

Parents have the right to request, but not insist, that their child be considered for admission to a class outside of their normal age group. This could be the case, for example, if a child is gifted and talented or has experienced problems such as ill health, that they had deferred entry agreed for when their child started Reception class or that they have been taught out of the normal year group during the primary phase of their education and have not been reintegrated back into their normal chronological year group.

Where a parent wishes to request admission out of the normal age group for their child, they should make a formal request to the Academy Trust for the child to be considered for a different age group class instead. This request should be in the form of a written letter of application outlining the reasons why they wish for their child to be considered to be admitted into a class outside of their normal age group and enclosing any supportive evidence and documentation that they wish to be taken into account as part of that request.

The Academy Trust will consider requests submitted for a child to be admitted into a class outside of their normal age group and advise parents of the outcome of that request before national offer day, having taken into account the information provided by the views of the Head Teacher.

If the request is refused, the original application for the normal age group class will progress through the Local Authority co-ordinated admissions scheme, be considered by the Academy Trust and the parents will be advised of the outcome.

If the request is agreed and the year group for which the parents have requested a place is a current year group in the school, then the application will be considered by the Academy Trust and the parents advised of the outcome.

If the request is agreed and the year group for which the parents have requested a place is for a future year group, i.e. Year 7 in September 2025, then the original application is withdrawn and the parents must submit a fresh application for Year 7 in 2025 when applications open in the autumn term of 2024. Please note that parents only have the right to re-apply for a place.

Where the Academy Trust agrees to consider an application for Year 7 for the following year, that application is considered alongside all other applications received and parents will be advised of the outcome of that application on national offer day. No place is reserved or held for the child in advance.

If parents are considering submitting an application for their child to be admitted into a class outside of their normal age group, it is strongly recommended that they also read the DFE guidance which can be found at:

<https://www.gov.uk/government/publications/summer-born-children-school-admission>

All applicants for the Sixth Form must satisfy the entry requirements for the different pathways and subjects offered. For A-Levels applicants require 5 Grade 4 GCSEs or equivalent including English and Mathematics. To study a level 3 vocational pathway including BTEC qualifications, applicants are required to have 4 Grade 4 GCSEs or equivalent.

Additionally, applicants must:

- Meet the entry requirements for individual subject choices as indicated in the Sixth Form course information booklet, located on the Academy website.
- Have an excel

Students can complete a combination of subjects from across both A Level and Vocational Pathways if the necessary entry requirements have been met.

Applications for each academic year open in October and should be completed online via the Academy website. Closing dates for applications are in early January.

The oversubscription criteria of looked after children, siblings and distance will only be used if the number of external candidates exceeds the amount of places the school is able to admit.

1. Looked after or previously looked after children.
2. Children who have a sibling at the school at the time of admission.
3. Children who live nearest the academy.

Distances are calculated on the basis of a straight-line distance between the child's home address and the academy gates on Craythorne Avenue.

In exceptional circumstances (for example prolonged illness, difficult family circumstances) which have caused a student to underachieve at GCSE (or equivalent), the Academy may consider an offer to enter the Sixth Form on a trial basis. In such cases, an offer to be made will be based on:

- Medical evidence, in the case of prolonged illness
- The availability of places on the chosen courses
- Suitability of candidate for chosen courses

In these cases, offers will be made on a trial basis, to be reviewed by the final teaching day in September. At the end of the trial period a decision will be made on whether the Academy is satisfied that the student is enrolled on suitable courses.

Admission to the school is on the basis of selection by reference to ability. Only boys who attain the required standard in the prescribed arrangements for selection are eligible to be considered for admission to the school.

These arrangements require that prospective pupils are considered for admission on the basis of a combined score, standardised according to the age of the pupil, on standardised tests of verbal, numerical and non-verbal reasoning ability.

All boys born between 1 September 2012 and 31 August 2013 will have attained the age of 11 years by 1 September 2024 and are eligible to apply for admission in September 2024.

Applicants are required to sit an entrance test and must achieve the qualifying score in order to be eligible for admission to the school. Where the number of eligible applications for admission exceeds the number of places available at the school, places are offered as follows:

1. Looked After Children / Previously Looked After Children who achieve the qualifying score. Applicants in this category will be ranked by test score and then by distance from the school.
2. Children attracting the Pupil Premium who achieve the qualifying score and live within the school catchment area*. Applicants in this category will be ranked by distance from the school.
3. If fewer than 35 places (25% of the PAN) are filled by applicants in category 2, offers will be made to children attracting the Pupil Premium who achieve the qualifying score and live outside the catchment area, until a total of 35 children attracting the Pupil Premium have been offered. If 35 or more places are filled by applicants in category 2, offers will be made to children attracting the Pupil Premium who live outside the catchment area, until a total of 35 children attracting the Pupil Premium have been offered.

**Siblings are considered to be those children who live at the same address and either have one or more common parents or a common parent.

Unrelated children living at the same address, whose parents are living as partners, are also considered to be siblings if they have one natural parent in common, who are brought together as a family by a same sex civil partnership and who are living at the same address, are also considered to be siblings.

Older siblings on roll in the Sixth Form (who will still be in attendance in September 2024) will be classed as a sibling claim.

A Looked After Child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

A Previously Looked After Child is a child who after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear to the admission authority to have been in state care outside of England and ceased to be in state care as a result of being adopted

Distances are calculated on the basis of a straight line between the school address and a point decided by the school (the front gates). The local authority uses a computerised system, which measures all distances in metres. Ordnance Survey supply the co-ordinates that are verified by the local authority as part of the school application process. If a parent/carer knowingly provides false information which would affect the success of their application, they may have the offer of a school place withdrawn.

Information explaining the entrance test arrangements for admission in September 2024 will be available online at <https://www.birminghamgrammarschools.org/> from May 2023.

The website will contain details of relevant Open Sessions at each of the King Edward VI Grammar Schools. Prospective pupils and their parents are encouraged to attend an Open Session at each of the schools in which they may be interested.

Test registration is made electronically via the relevant website and must be submitted by 30 June 2023 at 4pm. All registration forms received will be acknowledged. Children will be issued with a candidate number and allocated to a test centre (which may be any one of the Birmingham grammar schools or another venue used as an overflow centre).

Parents will also have to complete their home Local Authority (LA) common application form ranking their choice of schools in order of preference. This list may contain grammar schools and other schools. Only the LA will know the rankings and forms must be returned to the LA by 31 October 2023.

Any change of address after this date will not be considered until after places have been offered in March 2024.

Boys who will not have reached the age of 11 years by 1 September 2024, but who are taught in the same year group at primary school as those who will have done so, may be considered for admission to the school in September 2024.

Summer born children who are outside the stated age group but have been taught with a younger cohort throughout primary school may be considered for admission to the school in September 2024.

Requests to sit the entrance test and apply for a place at the school outside the normal age group must be made by contacting the admission department at the academy trust prior to the closing date for test registration (30 June 2023). A letter confirming the child is taught outside their normal age group and the reason(s) for this will be requested from the primary school along with any other evidence that is deemed relevant to each case. The admission authority will make a decision whether to allow the child to sit the entrance test outside their normal age group based on the circumstances of each case and will notify the parent/carer of its decision. If the child meets the admission criteria and is offered a place, they will be admitted to Year 7.

A child in either of these groups has only one opportunity to sit the entrance test and the offer of a place will be withdrawn if the offer has been made on the basis of an incorrect, fraudulent or misleading application.

If a vacancy arises during the first term of Year 7, the waiting list in existence from 1 March of that year will be used and the place offered in accordance with the admissions criteria above. Pupils studying Physics must also study Mathematics.

Offers of places in the Sixth Form will be conditional on achievement of these results and capacity on chosen courses. In the event of over-subscription, places will be offered to the nearest to the school (according to the straight-line distance between home and school).

Students completing vocational courses at Level 2 will need to convert grade outcomes to GCSE equivalent scores (see www.gov.uk for further information)

functions (see the definition in Section 22(1) of the Children Act 1989).

A Previously Looked After Child is a child who after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear to the admission authority to have been in state care outside of England and ceased to be in state care as a result of being adopted.

Distances are calculated on the basis of a straight-line distance between a school address and a point decided by the school (the front gates). The local authority uses a computerised system, which measures all distances in metres. Ordnance Survey supply the co-ordinates that are verified by the local authority as part of the school application process. If a parent/carer knowingly provides false information which would affect the success of their application, the offer of a school place may be withdrawn.

Children attracting Pupil Premium are those who have been registered for free school meals (not universal infant free school meals) at any point in the 6 years prior to the closing date for test registration (30 June 2023). The academy trust admissions department will require evidence of Pupil Premium registration and reserves the right to withdraw the offer of a place if the offer has been made on the basis of an incorrect, fraudulent or misleading application.

Parents/carers will need to provide evidence of Pupil Premium registration to the admissions department by a date in November that will be specified in the entrance test results letter/email. Any evidence received after this date will be considered as late and will be considered after the main round of allocations has been made.

Where parents have shared responsibility for a child, and the child lives with both parents for part of the week, then the main residence will be determined as the address where the child lives the majority of the week. Parents may be requested to supply documentary evidence to support the address used.

In a very small number of cases it may not be possible to decide between the applications of those pupils who are the final qualifiers for a place, when applying the published admission criteria. For example, this may occur when children in the same year group live at the same address, or where there are twins, or if the distance between the home and school is exactly the same, for example, blocks of flats. If there is no other way of separating the application according to the admissions criteria and to admit both or all of the children would cause the legal limit to be exceeded, the local authority will use a computerised system to randomly select the child to be offered the final place.

Information explaining the entrance test arrangements for admission in September 2024 will be available online at www.birminghamgrammarschools.org from May 2023.

The website will contain details of relevant Open Sessions at each of the King Edward VI Grammar Schools. Prospective pupils and their parents are encouraged to attend an Open Session at each of the schools in which they may be interested.

Parents will also have to complete their home Local Authority (LA) common application form ranking their choice of schools in order of preference. This list may contain grammar schools and other schools. Only the LA will know the rankings and forms must be returned to the LA by 31 October 2023.

Any change of address after this date will not be considered until after places have been offered in March 2024.

student into the Sixth Form should contact the school. It is not necessary for parents of existing pupils to apply formally for places in Year 12.

To achieve entry into the Sixth Form in September 2024, prospective entrants (both existing pupils and external candidates) must achieve a minimum of six GCSE passes at grade 6 or above, including English and Mathematics.

A grade 7 or above at GCSE is required in those subjects (or related subjects) to be studied at A-Level.

King Edward VI Five Ways School is an Academy for pupils aged 11-18 years and is designated as a selective grammar school under S104 of the School Standards and Framework Act, 1998.

Admission to the school is on the basis of selection by reference to ability. Only children who attain the required standard in the prescribed arrangements for selection are eligible to be considered for admission to the school. These arrangements require that prospective pupils are considered for admission on the basis of a combined score, standardised according to the age of the pupil, on standardised tests of verbal, numerical and non-verbal reasoning ability.

All children born between 1 September 2012 and 31 August 2013 will have attained the age of 11 years by 1 September 2024 and are eligible to apply for admission in September 2024.

Applicants are required to sit an entrance test and must achieve the qualifying score in order to be eligible for admission to the school. Where the number of eligible applications for admission exceeds the number of places available at the school, places are offered as follows:

1. Looked After Children / Previously Looked After Children who achieve the qualifying score. Applicants in this category will be ranked by test score and then by distance from the school.
2. Children attracting the Pupil Premium who achieve the qualifying score and live

Requests to sit the entrance test and apply for a place at the school outside the normal age group must be made by contacting the admission department at the academy trust prior to the closing date for test registration (30 June 2023). A letter confirming the child is taught outside their normal age group and the reason(s) for this will be requested from the primary school along with any other evidence that is deemed relevant to each case. The admission authority will make a decision whether to allow the child to sit the entrance test outside their normal age group based on the circumstances of each case and will notify the parent/carer of its decision. If the child meets the admission criteria and is offered a place, they will be admitted to Year 7.

A child in either of these groups has only one opportunity to sit the entrance test and the offer of a place will be withdrawn if the offer has been made on the basis of an incorrect, fraudulent or misleading application.

If a vacancy arises during the first term of Year 7, the waiting list in existence from 1 March of that year will be used and the place offered in accordance with the admissions criteria above. This is a list of those who sat the entrance test and achieved the qualifying score who did not receive an offer from this school or a more preferred school.

At any point from January after the pupil starts Year 7, parents may apply for a place at the school. In-year vacancies normally only become available if a current pupil is leaving the school. Any applicant who cannot be offered a place will be added to the waiting list and will have the right of appeal. If a vacancy arises, candidates on the waiting list will be invited to take a test and the place will be awarded to the highest scoring candidate above a minimum standard.

A limited number of external admissions is anticipated each year into Year 12. For entry into Year 12 in September 2024 this number is expected to be 20. Parents of external candidates wishing to enroll a student into the Sixth Form should contact the school. It is not necessary for parents of existing pupils to apply formally for places in Year 12.

To achieve entry into the Sixth Form in September 2024, prospective entrants (both existing pupils and external candidates) must achieve a minimum of six GCSE passes at grade 6 or above, including English and Mathematics.

In order to study a subject at A-Level a student must have achieved at least a grade 7 at GCSE in that subject.

In order to study Further Mathematics, a student must have achieved at least a grade 8 in Mathematics at GCSE level.

Offers of places in the Sixth Form will be conditional on achievement of these results and capacity on chosen courses. In the event of over-subscription, places will be offered on a first-come, first-served basis (subject to the distance between home and school).

The academy offers a range of academic and vocational qualifications to sixth form students and accepted into the sixth form can be placed on appropriate courses where they are likely to succeed. For this reason all applicants are invited to attend a meeting with some of our sixth form staff to discuss the most suitable courses of study.

The sixth form capacity for Year 12 will be 100 (25 places for external applicants). For Year 13, the capacity is 100 (25 places for external applicants). All students of Year 11 will be encouraged to apply for the sixth form. Applications from students wishing to transfer from another school and who meet the relevant entry requirements will be considered if there are places available on the preferred courses of study after allocation has been made to the current Year 11 candidates. In all cases the same admission criteria and oversubscription criteria above will apply.

Internal applicants: Priority for places is given to students in Year 11 currently on roll who meet the entry requirements for Sixth Form courses. If the number of applications exceeds the admission number, priority will be given to applications in accordance with the admission criteria above, depending upon applicants achieving the relevant entry requirements for individual subjects.

External applicants: Applications from internal candidates who meet the academic requirements will be considered first. For external applications the remaining places available on a particular course will be offered to those who have the better grades at GCSE or subject specific requirements.

All students will receive advice and guidance to support them in making the correct post-16 choices.

Entry requirements are the same for internal and external students and must meet the minimum of 3 GCSE grades at 5 and 2 GCSE grades at 4 or their equivalent. Some subjects require higher entry criteria so in order to be admitted onto an A level course in those subjects then a 6 must be achieved in that subject at GCSE. A student needs to meet the subject specific entry requirements as detailed in the Sixth Form Prospectus for the year of entry.

A student may be considered for exceptional entry depending on individual circumstances. An interview with the Head of Sixth Form may be required for these students.

Where a parent wishes to request admission out of the normal age group for their child, they should make a formal request to the Academy Trust for the child to be considered for a different age group class instead. This request should be in the form of a written letter of application outlining the reasons why they wish for their child to be considered to be admitted into a class outside of their normal age group and enclosing any supportive evidence and documentation that they wish to be taken into account as part of that request.

The Academy Trust will consider requests submitted for a child to be admitted into a class outside of their normal age group and advise parents of the outcome of that request before national offer day, having taken into account the information provided by the views of the Head Teacher.

If the request is refused, the original application for the normal age group class will progress through the Local Authority co-ordinated admissions scheme, be considered by the Academy Trust and the parents will be advised of the outcome.

If the request is agreed and the year group for which the parents have requested a place is a current year group in the school, then the application will be considered by the Academy Trust and the parents advised of the outcome.

If the request is agreed and the year group for which the parents have requested a place is for a future year group, i.e. Year 7 in September 2025, then the original application is withdrawn and the parents must submit a fresh application for Year 7 in 2025 when applications open in the autumn term of 2024. Please note that parents only have the right to re-apply for a place.

Where the Academy Trust agrees to consider an application for Year 7 for the following year, that application is considered alongside all other applications received and parents will be advised of the outcome of that application on national offer day. No place is reserved or held for the child in advance.

If parents are considering submitting an application for their child to be admitted into a class outside of their normal age group, it is strongly recommended that they also read the DFE guidance which can be found at:

The Governing Body of this Academy is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the governing body is empowered to give absolute priority to a child where admission is requested under any locally agreed protocol. The Governing Body has this power, even when admitting the child would mean exceeding the published admission number subject to the infant class size exceptions.

Where parents have shared responsibility for a child, and the child lives for part of the week with each parent, the home address will be the address provided in the Local Education Authority Common Application Form, provided that the child resides at that address for any part of the school week.

Parents may be requested to supply documentary evidence to satisfy the Board of Directors that the child lives at the address put forward by the parents.

If a place in the school is offered on the basis of an address that is subsequently found to be different from a child's normal and permanent home address, then that place is liable to be withdrawn.

Parents have the right to request, but not insist, that their child be considered for admission to a class outside of their normal age group. This could be the case, for example, if a child is gifted and talented, has experienced problems such as ill health, or is already being educated in a class outside of their normal age group at their current primary school.

Parents who wish to appeal against the decision of the Board of Directors to refuse their child a place in the school should make that appeal request in writing to the Chair of the Board of Directors at the school address. Appeals will be heard by an independent panel.

Please note that parents do not have the right to appeal if their request for their children to be admitted to a class outside of their normal year group has been refused, but the Board of Directors have offered a place in the normal age group instead.

Distances are calculated on the basis of a straight-line measurement between the home address and the front door of the school. The Local Authority uses a computerised system, which measures all distances in metres. Ordnance Survey supplies the co-ordinates that are used to plot the home address and the school.

In a very small number of cases, where the school is oversubscribed, it may not be possible to decide between the applications of those pupils who are the final qualifiers for a place when applying the published admission criteria.

For example, this may occur when children in the same year group live at the same address, or if the distance between the home and the school is exactly the same, for example, blocks of flats. If there is no other way of separating the application according to the admissions criteria and to admit to the school, the Local Authority, on behalf of the Governing Body, will use a computerised system to randomly select the child to be offered the final place.

The governing body will, where possible, admit twins and all siblings from multiple births where one of the

children live at the same address.

Where parents have shared responsibility for a child, and the child lives for part of the week with each parent, the home address will be the address provided in the Local Authority Common Application Form, provided that the child resides at that address for any part of the school week.

Parents may be requested to supply documentary evidence to satisfy the Governing Body that the child lives at the address put forward by the parents.

John Wall Catholic School but were offered a school that was ranked as a lower preference on their application form will be added to a waiting list.

The waiting list will be maintained until 31 December 2024 and will then be discarded. The waiting list until the end of the summer term 2025 when it will be discarded.

A position on a waiting list is not fixed. When a new child joins the waiting list, all applicants on that waiting list will be re-ranked to ensure that the list is always maintained in order of preference. Any late applications accepted will be added to the waiting list in accordance with the oversubscription criteria.

Inclusion on the waiting list does not mean that a place will eventually become available. It may be that those already offered places may accept them, thereby filling all available places.

Children on the waiting list who attend a named feeder school (see Note 5 above) who have not been offered a place in the school by the beginning of the Autumn term 2024 will be re-ranked to take into account that they will no longer be attending that feeder school from 1st September 2024. This will affect the oversubscription criteria that your child is placed into on the waiting list from 1st September 2024.

Children who are the subject of a direction by the Local Authority to admit or who are allocated to a school in accordance with the Fair Access Protocol take precedence over those on a waiting list.

If there are no places available, the child will be added to the waiting list (see above).

Parents will be advised of the outcome of their application in writing and, where the independent appeal panel.

1. Looked after or previously looked after children.
2. Where a child has an older sibling currently attending the school when the application is made and who will be still attending the school in Years 8 . 11 in September of the relevant year.
3. Children of Staff employed at the Academy.
4. Children who live nearest the Academy.

Within each of these categories, priority is given to those who live nearest the school, calculated on the basis of a straight-line measurement between home and school.

The necessary forms and information should be obtained from the Clerk to the Appeal whom completed forms are returned.

Appeals in respect of Year 7 intake for September 2024 should be lodged by Friday 12th April 2024

The remaining 255 places for entry into Year 7 at September 2024 will be offered in accordance with the following admissions criteria:

1. Looked after or previously looked after children.
2. Children with a brother or a sister already at the academy who will still be in attendance in September 2024.
3. Children who live nearest the academy.

Within each of these categories, priority is given to those who live nearest the school, calculated on the basis of a straight-line measurement between home and school.

A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangement order, or special guardianship order. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989). In the case of previously looked after children, admission authorities may request a copy of the adoption order, child arrangement order or special guardianship order and a letter from the local authority that last looked after the child confirming that he or she was looked after immediately prior to that order being made.

Children adopted from state care outside of England Children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted will be given equal first priority in admission arrangements, alongside looked after children (LAC) and children who were previously looked after by English local authorities (PLAC). These children are referred to as internationally adopted previously looked after children. [Statutory guidance on the admission of IAPLAC](#).

If your child is classed as a previously looked after child, was adopted or was or currently is looked after by any other Local Authority other than Birmingham or is classed as an internationally adopted previously looked after child IAPLAC, you ensure that you admissions@birmingham.gov.uk Please

Children who are brought together as a family by a same sex civil partnership and who are living at the same address, are also considered to be siblings.

All siblings must still be attending the preferred school at the time that admission is sought. For example for the September 2024 intake the sibling must still be attending in September 2024 in Years 7, 8, 9, 10 or 11.

Governing Bodies are responsible for deciding whether or not pupils should wear a school uniform. Parents should contact individual schools for details of the uniform policy and any sports kits. Generally school uniforms should be available in high street shops and other retail outlets rather than from one supplier. Schools should offer arrangements so that no family feels unable to apply for admission on account of high uniform costs and details should be available from individual schools.

The law requires all schools without a religious character to provide religious education that fulfils the requirements of a locally agreed syllabus. For Birmingham schools this is the Birmingham Agreed Syllabus for Religious Education. Voluntary Aided Schools with a religious character normally follow a Diocesan syllabus or one agreed by the governing body.

Religious Education (RE) is intended for all pupils. However, parents have the right to withdraw their child from all part of RE. This will need careful thought and discussion and parents are encouraged to discuss with Head Te0.0000q51ofnh He9ir d(fr)-2(o)4(mdn1 6 0 1 72 489.34 Tr
