

Behaviours: age 0 to 5

All green, amber and red behaviours require some form of attention and response. It is the level of intervention that will vary.

What is a green behaviour?

Green behaviours reflect safe and healthy sexual development. They are:

- displayed between children or young people of similar age or developmental ability
- reflective of natural curiosity, experimentation, consensual activities and positive choices

What is an amber behaviour?

Amber behaviours have the potential to be outside of safe and healthy behaviour. They may be:

- of potential concern due to age, or developmental differences
- of potential concern due to activity type, frequency, duration or context in which they occur

What is a red behaviour?

Red behaviours are outside of safe and healthy behaviour. They may be:
